

PTO Check Request Process & Form

The following page includes the form to fill out for check or reimbursement requests.

If you are completing the form for the first time or need a refresher, please read through these tips:

- For check requests or reimbursement requests, be certain to include all receipts or invoices. Please reconcile your receipts and add explanations if needed when submitting your check request form.
- If the receipt is for expenses incurred in relation to more than one category or event, please explain which items on the receipts relate to which categories on the check request form and total the subcategories.
- Completed check requests should be placed in the treasurer's box in the front lobby during the school year. Check requests are typically completed within a week of the request. Checks are generally delivered on Fridays.
- If you are submitting a request that is time sensitive (ie. a vendor is waiting to be paid at the school) or is needed with less than a week's notice, email our co--treasurer, John Gaines, at johnbgaines@yahoo.com that such a request is coming and by what date you will need the check.
- Any check requests over the summer should be emailed to John.

If you have any questions, please contact John Gaines at johnbgaines@yahoo.com.
